10th International Symposium on Resistance Arteries
8th - 12th May 2011
Rebild - DENMARK

Main Announcement and Call for Abstracts
We are pleased to invite you to attend the 10th International Symposium on Resistance Arteries (ISRA) which will be held from Sunday 8th to Thursday 12th May 2011 at Comwell Rebild Bakker, Rebild, Denmark.

This conference follows on from previous highly successful ISRA meetings, which have traditionally provided outstanding opportunities to discuss and develop resistance artery research. Themes of the symposium will include vascular biology of the endothelium and the smooth muscle, control of vascular tone and vascular structure, intercellular communication, reactive oxygen species, inflammation, hypertension and diabetes and manipulation of endothelial and smooth muscle gene expression.

The programme will include overview lectures and presentations selected on the basis of the incoming abstracts. We welcome abstracts for both oral and poster presentations to enable participation by all registrants. The presentation of data at this meeting will provide the opportunity for scientific interaction and discussion with a highly informed audience.

Prizes will be awarded for the best oral and best poster presentation.

The congress activities will take place at Comwell Rebild Bakker, a purpose built hotel and conference centre set in one of Denmark’s national parks. It is conveniently located near Aalborg and offers recreational facilities as well as access to the beautiful countryside, featuring the Rold Forest, Denmark’s largest forest area.

We look forward to welcoming you to Rebild in May.

Christian Aalkjær
On behalf of the Scientific Organisers

**SCIENTIFIC COMMITTEE**

- Joe E. Brayden, USA
- Michael J. Davis, USA
- Jo De Mey, The Netherlands
- Cor de Wit, Germany
- Kim Dora, UK
- Christopher J. Garland, UK
- Pernille B. Laerkegaard Hansen, Denmark
- Daniel Henrion, France
- Michael A. Hill, USA
- Morley D. Hollenberg, Canada
- Yu Huang, Hong Kong
- Alun D. Hughes, UK
- Ismail Laher, Canada
- Robert M.K.W. Lee, Canada
- John McCarron, UK
- Gerald A. Meininger, USA
- Mark T. Nelson, USA
- Michael Hecht Olsen, Denmark
- George Osol, USA
- Ulrich Pohl, Germany
- Lucilla Poston, UK
- Damiano Rizzoni, Italy
- Mercedes Salaices, Spain
- Shaun L. Sandow, Australia
- Rudolf Schubert, Germany
- Simon A. Thom, UK

- Ed van Bavel, The Netherlands
- Paul M. Vanhoutte, Hong Kong

**Secretariat:**
Hampton Medical Conferences Ltd, 113-119 High Street, Hampton Hill, Middlesex, TW12 1NJ, UK
Tel: +44 (0)20 8979 8300, Fax: +44 (0)20 8979 6700
Email: hmc@hamptonmedical.com
[www.israweb.org](http://www.israweb.org) and [www.hamptonmedical.com](http://www.hamptonmedical.com)
Abstract submissions are very much encouraged and there will be prizes awarded for the best oral and poster presentations. The winner of each category will be notified at the Conference Dinner.

Further details on the publication of abstracts will be available shortly on the symposium website.

**How to submit an abstract**

- Go to the [abstract submission site](#) then follow the instructions provided for ‘First Time Users’ to log your email address, to provide correspondence details and to create your own password.
- Once you have submitted your details, you will receive an automatic email confirming your password. You will receive guidance notes for the preparation of abstracts, and the official Microsoft Word abstract template. These can also be downloaded from the on-line system at any time.

**Abstract content**

Abstracts should refer to completed work or completed stages of work that can be fully reported, and not work to be undertaken or work in progress without evaluative information.

For full details on how to submit an abstract please visit [www.israweb.org](http://www.israweb.org)

### SCIENTIFIC PROGRAMME

**Sunday 8th May 2011**

20.00 - 20.45  **Overview lecture**  
**Resistance arteries - past, present and future**  
**Michael Mulvany**  
*Professor, Department of Pharmacology, University of Aarhus, Denmark*

**Monday 9th May 2011**

08.15 - 11.55  **Session 1  Vascular Structure**

08.15 - 08.40  **1.1 Transglutaminases in vascular remodeling**  
**Ed van Bavel**  
*Associate Professor of Medical Physics, Academic Medical Center Amsterdam, Amsterdam, The Netherlands*

08.40 - 09.05  **1.2 Title to be confirmed**  
**Luis Martinez Lemus**  
*Assistant Professor, Dalton Cardiovascular Research Center and Department of Medical Pharmacology and Physiology, University of Missouri-Columbia, Columbia, USA*

09.05 - 09.30  **1.3 Basement membraines of the blood vessel wall and their contribution to structural and functional vascular integrity**  
**Lydia Sorokin**  
*Professor, Institute of Physiological Chemistry and Pathobiochemistry, University of Muenster, Germany*

09.30 - 09.55  **1.4 Title to be confirmed**  
**George Osol**  
*Professor of Gynaecology and Obstetrics, University of Vermont, USA*
09.55 – 10.15  Coffee

10.15 - 10.40  1.5 Speaker to be confirmed

10.40 – 11.05  1.6 Immune modulation of structure and function of small arteries
Ernesto Schiffrin  
Professor of Medicine, Jewish General Hospital and Lady Davis Institute, McGill University, Montreal, Canada

11.05 - 11.30  1.7 Oxidative stress and vascular remodeling
Brad Berk  
Professor of Medicine, Aab Cardiovascular Research Institute, University of Rochester Medical Center, Rochester, USA

11.30 – 11.55  1.8 miRNA-dependent circuits controlling phenotype variation and motility of vascular smooth muscle cells
Thomas Braun  
Professor and Managing Director, Max-Planck-Institute for Heart and Lung Research, Bad Nauheim, Germany

11.55 – 14.30  Lunch and poster session

14.30 – 20.50  Session 2  Smooth Muscle Excitation-Contraction Coupling

14.30 - 15.15  2.1 Overview lecture
Excitation-contraction coupling in smooth muscle
Avril Somlyo  
Professor of Molecular Physiology and Biological Physics, University of Virginia, Charlottesville, USA

15.15 – 15.40  2.2 Calcium sparklets in arterial smooth muscle
Fernando Santana  
Associate Professor, University of Maryland, Baltimore, USA

15.40 – 16.05  2.3 Mitochondrial architecture and mobility in resistance arteries
John McCarron  
WC Bowman Chair of Pharmacology, University of Strathclyde, Glasgow, UK

16.05 – 16.25  Coffee

16.25 - 16.50  2.4 Role of Rho exchange factors in the regulation of vascular smooth muscle contraction
Gervaise Loirand  
INSERM Researcher, Nantes, France

16.50 – 17.15  2.5 The role of calcium sensitization in the myogenic response of cerebral arteries
Mike Walsh  
Professor of Biochemistry and Molecular Biology, University of Calgary, Alberta, Canada

17.15 - 17.30  2.7 Submitted abstract

17.30 - 17.45  2.8 Submitted abstract

18.00  Dinner

20.00 - 20.25  2.9 Do changes in integrin adhesion accompany excitation-contraction coupling in vascular smooth muscle?
Gerald A. Meininger  
Margaret Proctor Mulligan Professor in Medical Research, University of Missouri-Columbia, Columbia, USA
Tuesday 10th May 2011

08.15 - 12.15 Session 3 Endothelial Function

08.15 - 09.00 3.1 Overview lecture
Speaker to be confirmed

09.00 - 09.25 3.2 Intercellular signaling along arteriolar endothelium
Steve Segal
Margaret Proctor Mulligan Professor of Medical Research, The University of Missouri-Columbia, Columbia, USA

09.25 - 09.50 3.3 Speaker to be confirmed

09.50 - 10.15 Coffee

10.15 - 10.40 3.4 EDHF-mediated responses in the renal circulation of normotensive and hypertensive mice
Michel Félétou
Professor, Institut de Recherches Servier, Suresnes, France

10.40 - 11.05 3.5 The AMPK and endothelial cell homeostasis
Ingrid Fleming
ECCPS Professor of Vascular Signalling, Goethe University, Frankfurt, Germany

11.05 - 11.30 3.6 SIRT1 and AMPK: the seesaw effect
Yu Wang
Assistant Professor, The University of Hong Kong

11.30 - 11.45 3.7 Submitted abstract

11.45 - 12.00 3.8 Submitted abstract

12.00 - 12.15 3.9 Submitted abstract

12.15 - 14.30 Lunch and poster session

14.30 - 17.40 Session 4 Nerves, glia, retina, fat etc

14.30 - 15.15 4.1 Overview lecture
Speaker to be confirmed

15.15 - 15.40 4.2 Sympathetic vascular tone assessed in vivo through the use of FRET type biosensor mice
Gill Wier
Professor of Physiology, University of Maryland, Baltimore, USA

15.40 - 16.05 4.3 Sensory-motor nerves against the vasoconstrictor effects of endothelin
Jo De Mey
Professor of Vascular Pharmacology, University of Maastricht, Maastricht, The Netherlands

16.05 - 16.30 4.4 Mechanisms of resistance vessel dysfunction in human obesity-hypertension
Bill Haynes
Professor of Medicine, University of Iowa, Iowa City, USA
16.30 - 16.45 Coffee

16.45 - 17.10 4.5 Title to be confirmed
Maik Gollasch
Associate Professor, Charité University, Nephrology and Intensive Care Section
Berlin, Germany

17.10 - 17.25 4.6 Submitted abstract

17.25 - 17.40 4.7 Submitted abstract

18.00 Dinner

20.00 - 21.30 Session 1 continued Vascular Structure

20.00 - 20.30 1.9 Title to be confirmed
Axel Pries
Professor of Physiology, Institute of Physiology, Charité University, Berlin, Germany

20.30 - 21.00 1.10 Structural alterations of small resistance arteries in patients with metabolic syndrome
Damiano Rizzoni
Professor of Internal Medicine, University of Brescia, Italy

21.00 - 21.30 1.11 In essential hypertension, resistance artery structure tells a different story than blood pressure itself
Kent Lodberg
Consultant, University of Aarhus, Denmark

Wednesday 11th May 2011

08.15 - 12.15 Session 5 Gas and the Vascular Wall

08.15 - 09.00 5.1 Overview lecture
Speaker to be confirmed

09.00 - 09.25 5.2 Oxidative stress in the vasculature: prevention by low molecular weight compounds
Ulrich Förstermann
Professor of Pharmacology, Johannes Gutenberg University Medical Center,
Mainz, Germany

09.25 - 09.50 5.3 Cerebrovascular regulation by carbon monoxide
Jonathan H. Jaggar
Professor of Physiology, The University of Tennessee, Memphis, USA

09.50 - 10.15 Coffee

10.15 - 10.40 5.4 Speaker to be confirmed

10.40 - 11.05 5.5 Title to be confirmed
Paul Kemp
Postgraduate Research Leader, Cardiff School of Biosciences, UK

11.05 - 11.30 5.6 Hydrogen sulfide signaling in resistance arteries
Rui Wang
Vice President Research, Lakehead University, Thunder Bay, Canada
11.30 - 11.45  5.7 Submitted abstract
11.45 - 12.00  5.8 Submitted abstract
12.00 - 12.15  5.9 Submitted abstract
12.15-14.30   Lunch and poster session

14.30 - 18.20  Session 6  Ion Channels and Transporters

14.30 – 15.15  6.1 Overview lecture
Potassium channels in small arteries
Iain Greenwood
Reader in Pharmacology, St George’s, University of London, UK

15.15 – 15.40  6.2 Regulation of arterial calcium channel expression by intravascular pressure
Nancy Rusch
Professor and Chair, Department of Pharmacology and Toxicology,
University of Arkansas for Medical Sciences, Arkansas, USA

15.40 - 16.05  6.3 T channels and vascular function: where are we now
Caryl Hill
Professor and Leader of Blood Vessel Laboratory, The John Curtin School of Medical Research,
Australian National University, Canberra, Australia

16.05 - 16.30  6.4 Cation channel TRPM4 is an important regulator of smooth muscle membrane potential and arterial tone
Scott Earley
Assistant Professor, Colorado State University, Fort Collins, USA

16.30 - 16.45  Coffee

16.45 - 17.10  6.5 Calcium-activated chloride channels and TMEM16A - a new therapeutic target in pulmonary arterial hypertension?
Normand Leblanc
Professor of Pharmacology, University of Nevada School of Medicine, Reno, USA

17.10 - 17.35  6.6 Molecular basis for calcium-activated chloride conductances in the arterial wall
Vladimir Matchkov
Associate Professor, University of Aarhus, Denmark

17.35 - 17.50  6.7 Submitted abstract
17.50 - 18.05  6.8 Submitted abstract
18.05 - 18.20  6.9 Submitted abstract
20.00    Conference Dinner

Thursday 12th May 2011

08.15 - 12.05  Session 7  Pathology

08.15 - 09.00  7.1 Overview lecture
Small arteries and tumours
Speaker to be confirmed

09.00 - 09.25  7.2 Title to be confirmed
Nicola J. Brown
Professor of Microcirculation Biology, University of Sheffield, UK
09.25 - 09.50  7.3  Diabetic microangiopathy: insights into glucose toxicity  
Chris Triggle  
Professor of Pharmacology, Weill Cornell Medical College in Qatar, Doha, Qatar

09.50 - 10.15  Coffee

10.15 - 10.40  7.4  Title to be confirmed  
TW Secomb  
Professor of Physiology, University of Arizona, Tuscon, USA

10.40 - 11.05  7.5  Title to be confirmed  
Issy Laher  
Professor of Pharmacology, University of British Columbia, Vancouver, Canada

11.05 - 11.20  7.6  Submitted abstract

11.20 - 12.35  7.7  Submitted abstract

11.35 - 11.50  7.8  Submitted abstract

11.50 - 12.05  7.9  Submitted abstract

12.05-14.30  Lunch

14.30 - 16.00  Session 8  Discussion Group: Are Functional Microdomains Credible?

14.30 - 14.45  8.1  Plasmerosomes in resistance arteries: key to the pathogenesis of hypertension  
Mordecai Blaustein  
Professor of Physiology & Medicine, Maryland Center for Heart, Hypertension & Kidney Disease, Baltimore, USA

14.45 - 15.00  Discussion

15.00 - 15.15  8.2  Speaker to be confirmed

15.15 - 15.30  Discussion

15.30 - 15.45  8.3  Speaker to be confirmed

15.45 - 16.00  Discussion

16.0  Close of Conference
VENUE

The 10th International Symposium on Resistance Arteries will be held in Rebild, Denmark from the afternoon of Sunday 8th May to Thursday 12th May 2011. Rebild is located in the North Jutland region of Denmark and is one of the smaller municipalities in the country.

The meeting will be held at Comwell Rebild Bakker, a modern conference hotel with excellent meeting and recreational facilities.

The address is

Comwell Rebild Bakker a-s
Rebildvej 36
DK-9520 Skørping
Denmark

http://www.comwell.com/engelsk_site/comwell_rebild_bakker/

The venue, which was the location for the 3rd ISRA in 1991, is situated in one of Denmark’s national parks. The nearest airport is Aalborg, which can be accessed directly from many European cities or with one stop in Copenhagen. Transportation from Aalborg Airport to the venue will be provided on Sunday 8th May as well as return transport on Thursday 12th May after the close of meeting.

TRADE EXHIBITION

A trade exhibition will be held during the conference. The organisers welcome the participation of companies with an interest in the field of resistance arteries. Please contact the Secretariat for further information.

WELCOME RECEPTION AND CONFERENCE DINNER

A Welcome Reception will be held at Comwell Rebild Bakker on Sunday 8th May from 18.00 hrs to 18.30 hrs. The Conference Dinner will take place from 20.00 hrs on Wednesday 11th May. Both social events are open to all delegates and will provide an opportunity of meeting informally with colleagues in a relaxed environment. The cost of both social events are included in the full registration fee but delegates should indicate on the registration form if they would like to attend.

LEGAL NOTICES - Disclaimer & Privacy Statement

All best endeavours will be made to present the programme as printed. However, the Conference Secretariat reserve the right to alter or cancel, without prior notice, any of the arrangements, timetables or plans relating directly or indirectly to the conference or exhibition, for any cause beyond their reasonable control. The Conference Secretariat is not liable for any loss or inconvenience caused as a result of such alterations.

Participants are advised to take out their own travel insurance and to extend their personal policy to cover personal possessions: the conference does not cover individuals against cancellations of bookings or theft of belongings.

In the event that the Conference is cancelled by the organisers, or cannot take place for any reason outside the control of the organisers, the registration fee shall be refunded in full. The liability of the organisers shall be limited to that refund and the organisers shall not be liable for any other loss, cost or expense, howsoever caused, incurred or arising.

The Secretariat will hold and process your personal details on our database. This information is necessary for the legitimate management of this conference, which may include it being available to any organising/sponsoring company. We may also use these details to provide you with details of other conferences or events that we are organising. Please advise us should any of your details change. You may of course remove your details from our database by advising us in writing, at any time.
REGISTRATION INFORMATION

REGISTRATION FEES

Registration Fees are as follows:

<table>
<thead>
<tr>
<th>Registration Type</th>
<th>Fee</th>
</tr>
</thead>
<tbody>
<tr>
<td>Full Registration (5 days)</td>
<td>€ 595.00</td>
</tr>
<tr>
<td>Day Registration</td>
<td>€ 215.00</td>
</tr>
<tr>
<td>Student/trainee - Full Registration*</td>
<td>€ 395.00</td>
</tr>
<tr>
<td>Accompanying Person</td>
<td>€ 295.00</td>
</tr>
</tbody>
</table>

* Student/trainee Registration: The registration form must be accompanied by a letter from the Head of Department or Supervisor, clearly stating the student’s current position. There is no day registration rate for students/trainees.

Full registration fee and student/trainee registration fee include:
- access to all scientific sessions and the exhibition
- Welcome Drinks Reception and Conference Dinner (1 ticket each if requested)
- morning coffee, lunch, afternoon tea and dinner
- all conference materials

Accompanying Person fee includes:
- access to the exhibition
- Welcome Drinks Reception and Conference Dinner (1 ticket each if requested)
- morning coffee, lunch, afternoon tea and dinner

Please note that drinks during lunch and dinner are not included in the registration fee. However wine will be provided during the Conference Dinner on Thursday 11th May.

HOW TO REGISTER

Delegates can register ON-LINE for the conference, using a secure credit card payment site. Please go to the conference website (www.israweb.org) and click on ‘Registration’. Alternatively, a hard copy Registration Form can be found at the back of this Announcement. All registration forms must be accompanied by the appropriate payment.

PAYMENT INFORMATION

All payments must be made in Euros.

- Cheques should be made payable to ISRA in Euros.
- Credit card payments can be made by Visa or MasterCard only. Unfortunately payment cannot be made by debit cards or American Express.
- All credit card payments (for both on-line and hard copy registrations) are subject to an additional charge of 4.5%.
- All credit card payments will be debited in euros; if your credit card account is NOT in euros, the payment will be converted by your card issuer. They may also charge you a fee for doing so.
- Credit card payments cannot be taken by telephone as written authorisation is required.

CONFIRMATION

Confirmation of registration, together with a receipt of payment, will be forwarded by the Secretariat. Further details and directional maps will be available on the conference website (www.israweb.org) three weeks prior to the start of the conference.

CANCELLATION

Cancellation of individual registration bookings received in writing by the Secretariat will be refunded after the conference at the following rates:

- On or before Friday 8th April 2011: Full fee, less an administration fee of €50.00
- After 8th April 2011: We regret no refunds can be made

Name substitutions will be permitted at any time.
The Secretariat has reserved the maximum number of bedrooms available at the conference venue, Comwell Rebild Bakker. However, in order to accommodate the anticipated number of delegates at the conference, it may be necessary for some delegates to stay in other hotels in the vicinity. Rooms have therefore also been reserved at the Rold Gammel Kro and Rebild Hostel.

Delegates are advised to register as soon as possible in order to secure a bedroom on site at the conference hotel, the Comwell Rebild Bakker.

### Hotel Accommodation

### Conference Hotel

<table>
<thead>
<tr>
<th>Hotel</th>
<th>Description</th>
<th>Prices per night inc. bed and breakfast</th>

</thead>
<tbody>
<tr>
<td><strong>Comwell Rebild Bakker</strong>&lt;br&gt;Rebildvej 36&lt;br&gt;9520 Skørping&lt;br&gt;Tel.: +45 9839 1222&lt;br&gt;Fax: +45 9839 2455&lt;br&gt;www.comwellrebildbakker.dk</td>
<td>In the middle of Denmark’s most scenic national park, you will find Comwell Rebild Bakker, a fully modern 4-star hotel and conference centre. The hotel offers a wide array of facilities for those at work as well as those seeking relaxation. With its restaurant and English pub, it is also a good place to relax. The hotel offers attractive facilities including a swimming pool, sauna, vapour bath and tennis courts.</td>
<td>Twin Room for single use: €93.00&lt;br&gt;Twin Room for double use: €128.00</td>
</tr>
</tbody>
</table>

### Other Accommodation

<table>
<thead>
<tr>
<th>Hotel</th>
<th>Description</th>
<th>Prices per night inc. bed and breakfast</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>Rold Gammel Kro</strong>&lt;br&gt;Hobrovej 11&lt;br&gt;Rold&lt;br&gt;9510 Arden&lt;br&gt;Tlf.: +45 9856 1700&lt;br&gt;Fax: +45 9856 2511&lt;br&gt;www.roldkro.dk</td>
<td>The Rold Gammel Kro Hotel is a family run hotel in the village of Rold. All rooms feature a sofa and television, en-suite bathrooms and tea and coffee making facilities. There is also a restaurant and bar on-site. Distance from Comwell Rebild Bakker: 8.3 km</td>
<td>Double room for single use: €106.00&lt;br&gt;Double room for double use: €133.00</td>
</tr>
<tr>
<td><strong>Rebild Vandrerhjem</strong>&lt;br&gt;Rebildvej 23&lt;br&gt;9520 Skørping&lt;br&gt;Tlf. +45 9839 1340&lt;br&gt;Fax: +45 9839 2740&lt;br&gt;www.rebild-vandrerhjem.dk</td>
<td>Rebild Hostel is a good budget alternative very near the conference venue. It has been refurbished and reopened in 2010 and offers accommodation for up to four guests in each room. The rooms feature bunk beds and are all en-suite. A communal TV room is free for all guests to use. Distance from Comwell Rebild Bakker: 0.1 km</td>
<td>Room for single use €64.00&lt;br&gt;Room for double use €71.00&lt;br&gt;Room for triple use €78.00&lt;br&gt;Room for quadruple use €85.00</td>
</tr>
</tbody>
</table>

* A shuttle bus service will be provided from Rold Gammel Kro to Comwell Rebild Bakker. Buses will depart every morning at approximately 08.00 hrs and will return at the close of conference each day.

The Secretariat has negotiated the above rates and these rates were the best available at the time of placing the group booking. Delegates are free to book accommodation directly through the internet, where it is possible that a lower rate will be advertised. In many of those cases, only a small number of rooms are available at the reduced rate and unfortunately, the Secretariat cannot match these lower rates offered by other agencies on the internet. The Secretariat will not be responsible for any bookings that are made through external organisations or directly with any hotel.

### Accommodation Payments

Full payment is required to reserve accommodation via the Secretariat. Reservations will not be made without payment. An acknowledgement of payment will be sent by the Secretariat to confirm accommodation reservations.

### Changes to Accommodation, Cancellations and Refunds

Subsequent changes to accommodation requirements should be directed to the Secretariat, **NOT** the hotel. Name substitutions will be permitted at any time. In the event of cancellation delegates should notify the Secretariat in writing. For cancellations after 1st April 2011, refunds of accommodation payments will only be made at the hotels’ discretion and full cancellation charges may apply.
Rebild is situated in Northern Denmark in the North Jutland region, near the city of Aalborg. Comwell Rebild Bakker is on the outskirts of the town. This part of the country is marked by its great natural beauty, forests, lakes and hills where you can go for walks or cycles. The Rold Skov forest is one of the largest forests in Denmark and covers an area of about 80 km² or 8000 hectares. There are endless opportunities for outdoor activities all year around including horse riding, golfing, canoeing and fishing.

### TRAVELLING TO REBILD

#### By Air
Aalborg Airport is situated outside the city centre and is an international modern airport with daily domestic and international flights. SAS, Cimber Sterling and Norwegian have, for example, over 40 daily flights in total from and to Copenhagen with excellent international links. Coach transfers will be provided between Aalborg Airport and the conference venue on Sunday afternoon and on Thursday after the close of meeting.

#### By Train
DSB (Danish State Railways) and Arriva cover the country with a dense network of train services. Hourly services on modern InterCity trains connect Rebild with the main towns of Jutland, Funen and Sealand and with Copenhagen. Rebild train station is only a short taxi ride away from the conference venue.

#### By Car
Delegates wishing to bring their own car can do so by travelling to Denmark on the DFDS Seaways ferry from Harwich to Esbjerg or by travelling via the Channel Tunnel or another route and driving up to Denmark. Complimentary car parking is available on-site for delegates.

### SCHOLARSHIPS FOR YOUNG INVESTIGATORS

A number of scholarships are available for the presenters of an abstract who are under 35 years of age at the time of abstract submission. These will be allocated to the presenters of the highest ranking abstracts, as graded by the referees. Presenters wishing to apply for a scholarship, which will cover the cost of registration to the meeting, should ensure that they complete their date of birth and select the appropriate options during the submission process.

### DEADLINE FOR APPLICATIONS: FRIDAY 28th JANUARY 2011

**Secretariat:**
Hampton Medical Conferences Ltd, 113-119 High Street, Hampton Hill, Middlesex, TW12 1NJ, UK
Tel: +44 (0)20 8979 8300, Fax: +44 (0)20 8979 6700
