

Membrane Transporters in Human Disease

6th December

ASB Workshop, University of New South Wales,
UNSW Kensington Campus, Sydney

Invited Plenary Speakers

Prof. Robert Ford, *University of Manchester, UK*

Prof. Peter Henderson, *University of Leeds, UK*

Invited Speakers

Mary Bebawy, *UTS*

Melissa Brown, *Flinders University*

Stefan Broer, *ANU*

Ingrid Gelissen, *University of Sydney*

Megan Maher, *La Trobe University*

Kiaran Kirk, *ANU*

Daniela Stock, *Victor Chang Cardiac Research Institute*

Thomas Stockner, *Medical University Vienna*

Symposia on

Membrane protein structure determination

Molecular mechanisms of membrane transporters

Lipid transporters

Multi-drug resistance mechanisms

Malarial parasite ion pumps

Register at <http://www.biophysics.org.au/>

MEMBRANE TRANSPORTERS
AND THEIR ROLE IN HUMAN DISEASE

December 6TH 2012

a satellite of the

Sydney 2012 Joint AuPS/PSNZ/ASB Meeting

WORKSHOP REGISTRATION
Authors submitting abstracts must register.
Registration deadline is November 1st 2012.

Dr Adelle Coster,
Treasurer, ASB
School of Mathematics & Statistics
University of New South Wales
Sydney NSW 2052
Fax : +61 2 9385 7123
Email : treasurer@biophysics.org.au

Title:

First name:

Surname:

Department/School:

University/Affiliation:

Email:

Please check all that apply to you:

Student/Early Career Status

I am a

- undergraduate or honours student
- PhD or Masters student
- post-doctoral fellow

Memberships

I am a member of the

- Australian Society of Biophysics
- Australian Physiological Society
- Physiological Society of New Zealand.

If presenting, preferred presentation method:

- Poster
- Oral

Registration

- Discounted (Member) Registration, \$50
- Regular Registration, \$60

Payment may be made by

Bank Transfer,

Account Name: Australian Society for Biophysics

Bank: Commonwealth

BSB: 063238

Account Number: 10195555

Please put **YourName_workshop** in the comment field to identify your payment

Visa

Card Name: _____

Mastercard

Card Number: _____

Card Expiry: _____

Signature: _____

Cheque/Money order Please make payable to "Australian Society for Biophysics"

Abstracts

Abstracts should include Abstract Title, Authors and Affiliations. Authors' names should consist of the full first name, any initials, and the family name. Affiliations should include Department, Institution and State only.

The abstract is to be unreferenced with a word limit is 250 words.

Please submit your abstract by email to: MembraneWorkshop@biophysics.org.au
